## Financial Agreement

### Services & Fees

Oasis Counseling LLC provides Psychotherapeutic, Counseling, Behavioral Health and Consultative Services to any person requiring treatment. Sessions are typically 45 minutes to an hour. The rate of \$\_\_\_\_\_ is charged for the initial Evaluation and \$\_\_\_\_\_ per 45 minute Therapy session is the standard and customary fee for your Psychologist or Counselor. Additional fees for services beyond the usual session may result in additional charges which would be discussed with you in advance.

### Patient Responsibilities

Patients who carry any form of Outpatient Mental Health Insurance are informed that all Psychotherapeutic and/or Counseling Services performed in this office are charged directly to the patient and/or undersigned parent or guardian. The billing office of Oasis Counseling LLC will prepare the necessary forms to assist the financially responsible party in making collections from the insurance company and will credit any such collections to the patient's account. ***The fees not paid by the insurance company are the responsibilities of the patient and/or undersigned parent or guardian***

### Payment

*We assist people in billing their insurance companies for payment. However, we do not accept any initiatives set forth by your insurance company nor do we take responsibility for your insurance company to fulfill their obligations to you. Most insurance companies no longer follow standard procedures. Thus, we require that copay be paid in advance for all services. If the portion of your bill that remains after the insurance company has paid, denied coverage or if you are uninsured, we will require payment upon rendering services.*

### Collections

**You are responsible for payment of your therapy fees, regardless of whether or not they are covered by your insurance carrier. You agree to the costs of any action necessary to collect your portion of the fee due. Collection fees are at 35% addition of the FULL fee owed. In addition, court and attorney fees and an interest rate equal to the statutory amount at the time of the debt in accordance with the State of Nevada may also be added to this debt. You will receive appropriate notice of efforts to obtain this debt. Debt is collected by Clark County Collections and signing this agreement allows them to write, call or take any action necessary to collect this debt.**

### Worker's Compensation

As a courtesy to our patients, Oasis Counseling LLC will file Worker's Compensation claims. However, in the event that the claim is denied, unsettled, or unpaid within 60 days, filing of a personal health insurance claim or payment of the charges in full will be required.

*I have read and understand the Statement of Financial Agreement and consent to the financial responsibilities outlined above. Any exceptions or variations will need to be discussed with my Psychologist or Psychotherapist and added to this form.*

### APPOINTMENT / CANCELLATION / NO SHOW POLICY

At Oasis Counseling, office visits are by appointment only please call (702-294-0433). The receptionist may ask about the reason for your visit. This helps us schedule the provider's time more efficiently. Please arrive 10 minutes early for your appointment. Patients who are late for any appointment more than 20 minutes will be asked to reschedule at the provider's discretion.

#### Cancellations

We would like to thank you for being a patient at Oasis Counseling. We value all our patients and strive to provide the best care possible and in the most comfortable setting. Please understand that when we schedule your appointment, we are reserving time for your needs. We kindly ask that if you must change an appointment, please give us at least 24 hours' notice. This courtesy makes it possible to give your reserved time to another patient who would like it. We know that your time is valuable. When your appointment is made, the room is reserved and your records are prepared for your visit. Except in the case of emergency treatment for another patient, you can expect us to be running on schedule. If you are unable to keep an appointment, we ask that you cancel at least 24 hours in advance. If this is not possible, call as soon as you can so that another patient can be given your appointment time. Appointments that are cancelled the same day as the appointment will be charged a late cancellation fee of \$45.

#### Missed Appointments (Non-Cancelled)

We understand that occasional missed appointments can occur for a variety of reasons. When you miss an appointment without canceling, someone else who could have been seen in your place is delayed unnecessarily. We track missed (non-cancelled) appointments. A "No Show/Late Cancellation" is defined as missing an appointment without cancelling at least 24 hours before scheduled time. **There will be a charge for a missed or non-cancelled appointment. Insurance will not cover charges for no show or late cancellation fees.** The \$45 charge is in addition to any other charges you may have incurred. No refunds will be given. Repeated missed appointments may result in your provider discharging you from their practice, and transferring you to another provider.

#### Payment

Payment is due in full at the time of service no exceptions.

## HIPAA Privacy Statement

This information describes how medical information about you may be used and disclosed and how you can get access to this information. Please read it carefully.

### I. Uses and Disclosures for Treatment, Payment, and Health Care Operations.

We may use or disclose your protected health information (PHI), for treatment, payment, and health care operations purposes with your consent. We are required by law to maintaining the privacy of PHI and to provide you with our legal duties and privacy practices with respect to PHI. We are required to abide by the terms of this Notice of Privacy Practices. We reserve the right to change the terms of our Notice of Privacy Practices at any time. Any new Notice of Privacy Practices will be effective for all PHI that we maintain at that time. We will provide you with a copy of the revised Notice of Privacy Practices by sending you a copy in the mail upon request at your next appointment.

### II. Uses and Disclosures Requiring Authorization.

We may use or disclose PHI for purposes outside of treatment, payment, and health care operations when your appropriate authorization is obtained. An "authorization" is written permission above and beyond the general consent that permits only specific disclosures. In those instances, when we are asked for information for purposes outside of treatment, payment and health care operations, we will obtain an authorization from you before releasing this information. We will also need to obtain an authorization before releasing your psychotherapy notes. "Psychotherapy notes" are notes your therapist has made about your conversations during a private, group, joint or family counseling session, which they have kept separate from the rest of your medical record. These notes are given a greater degree of protection than PHI. You may revoke all such authorizations (of PHI or psychotherapy notes) at any time, provided each revocation is in writing. You may not revoke an authorization to the extent that (1) we have relied on that authorization; or (2) if the authorization was obtained as a condition of obtaining insurance coverage, and the law provides the insurer the right to contest the claim under the policy.

### III. Uses and Disclosures with Neither Consent nor Authorization.

We may use or disclose PHI without your consent or authorization in the following circumstances: (1) Child Abuse/Neglect; (2) Elder Abuse/Neglect; (3) Health Oversight (Nevada Licensing Board requesting records); (4) Judicial or Administrative Proceedings (court order); (5) Serious Threat to Health or Safety to self or others; and (6) Worker's Compensation (if you file a claim).

If you believe that your privacy rights have been violated and wish to file a complaint with Oasis Counseling LLC, you may send your written complaint to Oasis Counseling LLC or with the Secretary of Health and Human Services at 200 Independence Ave., S.W., Washington, DC 20201 or by calling (202) 619-0257. We will not retaliate against you for filing a complaint. (Effective date 4/14/2003).
